Trafalgar

Trafalgar is a fantastic new naval wargame, set in the Age of Sail. Within this book you'll find all the rules, history and hobby information you need to fight battles between opposing navies throughout the period 1795-1815.

From the Battle of Copenhagen and the Glorious 1st June, the war in the Baltic, and the eponymous Battle of Trafalgar itself, to the naval War of 1812, all are contained within this volume.

Trafalgar provides a superb set of rules which brings naval wargames to life on the tabletop.

£20.00

Warmaster Ancients

Warmaster Ancients is an exciting tabletop wargame in which players recreate the most spectacular battles of the ancient world. The game utilises the newest ranges of 10-12mm 'grand' scale models to represent large and impressive armies and it easily accommodates smaller 6mm armies. An appendix is provided for players who wish to use larger models.
